RESTORING ARCHITECTURAL ICONS
 **2025 FALL CONVENTION**
OCTOBER 19 – 22, 2025
INTERCONTINENTAL HOTEL
CHICAGO, ILLINOIS

Thank you ICRI Chicago for contributing and being part of a great 2024! We learned all about drone technology in construction; celebrated and awarded two great restoration projects; we had over 200 attendees at our annual Lee Sizemore Memorial Scholarship Fundraiser Golf Outing; we awarded scholarships to two

IIT students; we held our 2nd Annual Rooftop Event and celebrated Mark Nelson with a 2024 Distinguished Service Award for his 30+ year involvement with ICRI and contributions to our industry; we hosted a young professional showcase event that provided a stage for the new generation of professionals in our industry to highlight their great projects; and finally, we had a fantastic turnout with over 60 attendees at our annual holiday party!

We could not have done any of these without you and your support. In addition, our board would like to extend a huge THANK YOU! to all our publication sponsors who are highlighted throughout this calendar.

Now we are focused on 2025 which will be filled with great events and to top it off, this October we will be hosting the 2025 ICRI National Fall Convention here in Chicago! Our Board and member volunteers are hard at work planning some great events for this conference. We encourage you to volunteer in our conference planning committees and attend the conference (help us reach a new attendance record!). If you are not able to attend, or are looking for additional ways to help, we are actively looking for sponsors for the conference.

In closing, we want to thank you for making 2024 a success. I encourage you to become even more active with our chapter; and if you see any of our Board members around, give them a huge thank you for all of their efforts involved with these volunteer positions. We look forward to seeing you in our upcoming events and national conference!

Have a great year,

Diego Romero
